FACTS ON ALiSEA'S SMALL-GRANT SCHEMES IN CAMBODIA

- ▶ ALiSEA's Small-Grant Scheme in Cambodia run from 2022 to 2025.
- ▶ Uni4Coop through DPA joined forces to implement the call for proposals in 2022 and 2023.
- ▶ **Available Fund for Small-Grant Schemes**
 - ▶ **GRET: 300,000 EUR** for 5 countries from 2022 – 2023
 - ▶ **Uni4Coop: 72,415 EUR** for ALiSEA members in Cambodia from 2022 - 2025

FACTS ON ALiSEA'S SMALL-GRANT SCHEMES IN CAMBODIA (CONT.)

- ▶ Two grants are being awarded to ALiSEA members in Cambodia in 2022 – One will be contracted by Uni4Coop and the other by GRET.
- ▶ The number of the awarded applicants in 2023 will be based on available funds and the potential of applications.
- ▶ From 2024 to 2025, DPA will be the focal organization to organize and oversee the ALiSEA small-grant schemes in Cambodia.

SMALL-GRANT TOPICS

A. SMALL-GRANT TOPICS IN 2022

1. Assess the impact and effect of public policy supporting agroecology and food systems.
2. Test and support agroecological innovations.
3. Evaluation of the performances and impacts of agricultural and food system.

B. SMALL-GRANT TOPICS FROM 2023 ONWARD

- ▶ The topics will be based on results from the national Theory of Change (ToC) workshop in October 2022 and the ALiSEA's Annual General Assembly.
