THANK YOU !

A word cloud featuring various terms related to sustainability, development, and environmental issues. The words are arranged in a circular pattern, with some words appearing more prominently than others. The terms include:

- Biodiversity
- Disasters
- Organic
- Value chain
- People
- Resources
- Climate
- Technologies
- Democracy
- Water
- Public transport
- Business
- Smart grids
- Efficiency
- GHG
- Forest
- Traffic
- Renewable
- Solar
- Geothermal
- Growth
- Energy
- Green
- Rice
- Rural exodus
- Planet
- Nature
- Myanmar
- Waste
- Fair trade
- Hydropower
- Future
- Debate
- Deforestation
- Food security
- Social inequity
- Rail
- Tramway
- Oil pick
- Temperatures
- Recycling
- Passive buildings
- Irrawaddy
- Drought
- Energy
- Sea level
- Innovation
- Agriculture
- Forest
- Tourism
- Global warming
