ALiSEA Pathway in Cambodia and Laos

1. **National Foresight & Theory of Change** to build common, desired vision on AE (Oct, 2021)

2. Results shared at the **National General Assembly** to all members (Nov, 2022)

	Cambodia	Laos
Pathway N1	Lack of knowledge and experiences in AE from farmers and stakeholders	Support Young Farmers . Increase Knowledge from national & international exchanges .
Pathway N2	Limited market access and premium price for AE products	Limited technical capacity of FOs, technicians on AE, SF and increasing trend of AE/SF products due to health and safety concerns
Pathway N3	Linkages and collaboration with Policy Dialogue Platforms	Poor management of agricultural chemical use

3. **Co-developed action plans** with members and Board Members

To identify and priority intervention areas

- Where ALiSEA is the **most relevant** and
- Where it should **focus its efforts**

ALiSEA: Main achievements in Cambodia

- Diversify agroecology knowledge exchange and capacity building to ALiSEA members and students by various approaches, such as training, field visit and webinar.
- Well collaborate with existing platforms, CASIC and Farmers Forum, to promote agroecology transitions.
- ALiSEA has been recognized and obtained to be sub-committee member of CASIC, which is a national platform promoting agroecology transitions and policy makers engagement. (August 2024)

ALiSEA: Main achievements in Laos

- Inspired farmers to adapt agroecology through field showcase of best practices, Flagship field visit in Xiengkhouang Province. (July 2024)

- Well collaborated with ALiSEA members and ECHO Asia to introduce and promote best practice of local seeds saving (September)

Challenges

- Limitation of knowledge products contributed by ALiSEA members, which ALiSEA commits to engage with members and co-develop together
- Time limited for board members contributed in the network and activity implementation
- Ensure good communication flow and keep close with the members
- Engage more farmers organization and researchers and private sectors to join the network (Laos)
- Turn over the national secretariat (Laos)
- Limited of the communication and exchange between the countries (BM & member)
